<sup>1</sup> This was the initial year OAH held the contract with the California Department of Education to conduct special education due process hearings. The case filings for fiscal year 2005-2006 are artificially inflated due to the number of cases in "off-calendar" status which were transferred to OAH from the Special Education Hearing Office, the previous contract holder, for resolution.

However, not all hearing requests are made using the OAH form. This quarter, 29 students self reported as being a “student of color” and 15 students self reported as not being a “student of color.” The remaining 688 students declined to state if they are a “student of color.”

### **TRANSCRIPT REQUESTS AND APPEALS**

This quarter, OAH received 43 requests for transcripts. Data on the number of appeals and appellate outcomes is collected on an ongoing basis. It includes all those cases that OAH was notified were appealed since July 2005. Based on correspondence with the parties and filings that have been provided to OAH, 78 cases have been appealed since July 2005. Currently, 48 OAH decisions are on appeal. Since July 2005, three decisions were remanded, two decisions were reversed, and three decisions have been upheld. Due to the difficulty in identifying which cases are appealed and the appellate outcomes, parties are invited to notify OAH of any cases not included below or outcomes that are not identified below.

SECOND QUARTER 2007/2008 FISCAL YEAR

October 1, 2007 – December 31, 2007

<sup>1</sup> The first quarter report for fiscal year 2007-2008 was the first report created using data tracked through our newly implemented case management system. In reviewing the reports, some errors in data collection were noted. This report corrects those errors as well as provides fiscal year information for the second quarter. An \* is used to identify areas where first quarter data has been corrected.

### CASE FILINGS

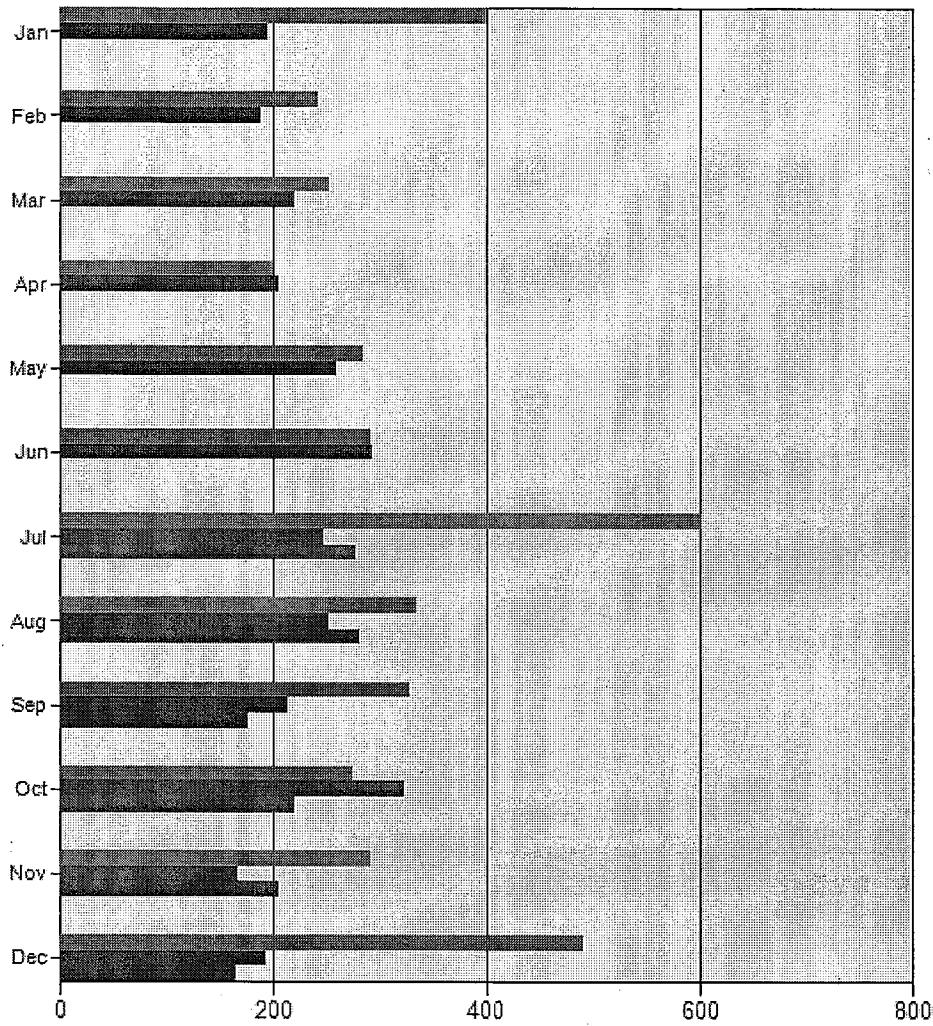

During the second quarter for fiscal year 2007-2008, the Office of Administrative Hearings (OAH) received 587 new case filings. Case filings decreased by 93 cases over those filed during the second quarter fiscal year 2006-2007. For the current fiscal year, case filings have decreased by 71 cases over those filed for the first half of last fiscal year.

<sup>2</sup> This was the initial year OAH held the contract with the California Department of Education to conduct special education due process hearings. The case filings for fiscal year 2005-2006 are artificially inflated due to the number of cases in “off-calendar” status which were transferred to OAH from the Special Education Hearing Office, the previous contract holder, for resolution.

<sup>3</sup> This quarterly report is the first report run using data collected entirely through OAH’s Practice Manager system. In preparing this report an error was found in the data related to the outcome of motions and NOIs. The data identified as pending will be reported at a later date.

### **MEDIATION AND HEARING EVALUATIONS**

Under its contract with CDE, OAH is required to send evaluations to all parties attending mediations and hearings. The evaluations contain a 1 through 5 rating scale with 1 being Poor/Very dissatisfied and 5 being Excellent/extremely satisfied. The evaluations ask the parties to evaluate the mediation, the administrative law judge and OAH in general.

This quarter, 493 mediation evaluations were returned to OAH. Evaluations were completed by parents (98 cases), legal counsel for parents (40 cases), parent advocates (5 cases), school district representatives (139 cases), and legal counsel for district (44 cases). In 167 cases, the evaluator did not indicate their role in the mediation.

## SPECIAL EDUCATION HEARING OFFICE

## QUARTERLY REPORT

July-September 2004  
 1st Quarter Fiscal Year 2004/2005

Pre-hearing Request Mediation (MO's)

During this quarter, 116 pre-hearing requests for mediation were received by the Special Education Hearing Office. There were 85 pre-hearing requests for mediation from parents, and 31 from local educational agencies (LEAs). Los Angeles Unified School District accounted for the most pre-hearing requests with 66 requests. The 116 pre-hearing requests for mediation compare with 73 requests received during the same quarter in 2003 representing a 59% increase.

Hearing Requests (SN's)

During this quarter, 723 requests for hearing were received by the Special Education Hearing Office. Mediation was waived by the LEA in one case and by the parents in 9 of the cases; the remaining 713 cases were referred to mediation. There were 622 requests for hearing from parents, 97 requests from LEAs, and 4 cases from a pupil. At the time of filing, either attorneys or advocates represented 59% of the parents and 55% of the LEAs were similarly represented by either attorneys or advocates. Los Angeles Unified School District accounted for the most due process hearing requests with 212 requests, followed by San Diego Unified School District with 21 requests for due process hearings. The 723 requests compare with 607 requests received during the same quarter in 2003, a 19% increase.

Pre-hearing Request Mediation Results (MO Dispositions)

During this quarter, there were 113 mediation dispositions.<sup>1</sup> Of the 113 dispositions, 54 cases were resolved in mediation, 59 cases did not resolve, although 8 were withdrawn after mediation, and in 8 cases a hearing was requested. In the 100 cases where mediation occurred, 75 can be considered successful mediations and account for 75% of the dispositions. The 113 mediation dispositions compare with 102 mediation dispositions during the same quarter in 2003, a 11% increase.

Mediation Results (SN Dispositions)

During this quarter, 673 cases referred to mediation closed.<sup>2</sup> Of these cases, 196 withdrew or were dismissed prior to mediation. In the 477 cases where mediation occurred, 298 cases were resolved at mediation and 151 were withdrawn or dismissed upon request of the parties after mediation began. These 449 cases can be considered successful mediations and account for a 94% success rate. Of the 72 cases that went to hearing, parties attempted mediation in 28 cases and waived mediation in 44 cases. These 28 cases represent 6% of the mediated cases. The 673 mediation dispositions compare with 652 mediation dispositions during the same quarter in 2003, a 3% increase.

<sup>1</sup>These are not necessarily the same cases as those accounting for the 116 pre-hearing mediation requests. Many of the cases that make up "pre-hearing request mediation dispositions" are cases for which the request for mediation was filed in a previous quarter. "Pre-hearing request mediation disposition" means that the mediation attempt ended with the case either being resolved, withdrawn, unresolved with no hearing requested, or closed because a party refused to mediate.

<sup>2</sup>These are not necessarily the same cases as those accounting for the 723 hearing requests. Many of the cases that make up "mediation dispositions" are cases for which the request for hearing was filed in a previous quarter. "Mediation disposition" means that the mediation attempt ended with the case being resolved, withdrawn, dismissed upon request of the parties, or referred for a hearing.

#### Law and Motion

There were 598 law and motion orders during the quarter. Of the 598 orders issued, 60 were minute orders (verbal orders) and 538 were written orders. An attorney or advocate represented parents in 434 of the 598 orders. LEAs were similarly represented in 510 of the orders. The 598 orders compare with 622 orders issued during the same quarter in 2003, a 4% decrease.

#### Hearing Output

During this quarter, 72 hearings were resolved. Decisions were rendered in 28 of these cases (39%). All of the 44 remaining hearings were dismissed or withdrawn by request of the parties after the hearing had commenced but prior to a written decision being rendered. The 72 resolved hearings compare with 62 resolved hearings during the same quarter in 2003, representing a 16% increase.

#### Hearing Decisions

A total of 28 decisions were rendered during this period, with an average of 24.2 pages per decision. The total days of hearings represented by these 28 decisions is 117, with an average of 4.2 days per hearing. Of the 28 decisions, 50% of these were rendered in favor of LEAs and 18% of the decisions were rendered in favor of parents, with the remaining 32% resulting in split decisions. An attorney or advocate in 23 of the 28 cases represented the LEAs, and parents were similarly represented in 17 cases. The 28 hearing decisions compare with the 33 hearing decisions during the same quarter in 2003, a 18% decrease.

#### Appeals

The Hearing Office was notified that 4 appeals were filed this quarter. One named the Special Education Hearing Office as a respondent. The Hearing Office was notified of one appealed case that has been affirmed by the U.S. District Court. Two cases were remanded for further proceedings before SEHO. One order re-opening a case was reversed.
